

He suddenly decided to do something very bad but necessary because he need money so he decided to steal the recipe.

The next night ,he sneaked into the safe room and succeed to steal it.As soon as he opened the safe's door,the alarm rang and the director was immediatly informed thanks to the watching cameras.He identified Kevin and ,as he ran away,swore to find him and kill him.

Chapter 3 : the kidnapping

Once Kevin had stolen the recipe,he hid in an old abandoned house,and worried about his children.After having recognized Kevin,the Coca Cola's director decided to look for information about him.He learnt he had two children,and made up a plan.

Kevin suddenly understood that the director would try to avenge .And the best way to do him was using his children ...

He ran in the entire city,to the aunt'shouse.Once he arrived ,he discovered that the dorr was opened.He quickly entered and found aun't Rose's corpse face to floor recovered with blood,the stomach opened and the head cut.

Horrified,he ran in all the house,shouting « Alice,Antoine ! »that were his children's names.

He arrived in their bedroom and saw a letter,which said « give us back the recipe,and your children will survive » stamped with the Coca Cola 's logo.

Chapter 4 : the Fingers

Kevin,very determinated,decided to go to Coca Cola's industry.As he had worked in the company before,he still had a pass and easily entered.He looked everywhere,in each corner,but nothing .

His children and the director weren't here. Desperate and terrified,he was sure that Alice and Antoine were dead.He went back to his home.Two days passed,and still nothing.He finally received a box.He opened it and shouted. Inside the package,there were two fingers,two human fingers.He recognized Alice 's finger because of the little ring on it.Horrified he read the letter inside the box « from the old factory,10km at the east,near the old museum.
