

Ryan directly knew what was happened. He was thinking about the speech that he had to tell to his boyfriend. But it was a false alarm, Peter just saw a little spider in his bath. Ryan began to have a headache due to stress . The adrenalin failling so Ryan decided to buy a packet of doliprane in a chemist. Whereas he was away Peter was watching a movie on the television. Suddently his whole body was shaking, and after a moment he saw some hair growing on his body. He began to yell with pain before to pass out . When Ryan come back he saw Peter on the floor. He thought that his lover was killed by his brother Eater. But fortunately he discoverd that Peter was alive so he understood that the metamorphosis was done.

Two days later, Peter wake up in his bed. Ryan was watching Peter in a chair
